The authors regret to inform that the following errors in their paper and the corrected title is shown above:

In abstract and conclusion sections, the chemical name has to be corrected as “(E)-1-(2-hydroxybenzylideneamino)-5-(4-methoxybenzoyl)-4-(4-methoxyphenyl)pyrimidin-2(1H)-one”.

And also in page 3, in Section 2.2. “Synthesis of the title compound”, the text “were prepared according to the literature method [12]” should read as “were prepared according to a similar method in the literature [12]”.

Author would like to apologize for the inconvenience caused.
